Sub: Internship Offer at Cynaris Solutions Private Limited – AI / ML

Dear **Akshata Patil**,

We are delighted to extend this internship offer to you at **Cynaris Solutions Private Limited** in our **Software & Technology** department. Your academic background, enthusiasm, and skills have impressed our team, and we are confident in your potential to contribute meaningfully during this engagement.

This internship is designed to provide you with hands-on industry experience, and exposure to real-world projects in the domain of **AI / ML**. You will work alongside experienced professionals and gain practical skills that complement your academic learning.

Role	AI / ML Intern
Department	Software & Technology
Duration	3 Months — 15 Aug 2026 to 15 Nov 2026
Commitment	Part-Time, 20 hours per week
Work Mode	Hybrid — Combination of work from home and in-office at Cynaris, Bangalore. Schedule communicated by your mentor.
Stipend	This is an unpaid internship (Skill Development Programme)

LEARNING OUTCOMES — AI / ML

01 Understand core machine learning algorithms and model training workflows	02 Implement and evaluate classification, regression, and clustering models	03 Work with Python libraries including NumPy, Pandas, and Scikit-learn
04 Apply NLP techniques for text processing and sentiment analysis	05 Deploy ML models and understand MLOps concepts	

To accept this offer, please review this document carefully, upload your photograph, affix your digital signature, and submit your acceptance by **15 Aug 2026**. For any queries, contact us at **contact@cynarissolutions.com**.

We look forward to welcoming you to the Cynaris family. This is an exciting opportunity to grow, learn, and make a real contribution. Welcome aboard!

Yours sincerely,

INTERNSHIP AGREEMENT

ANNEXURE A — CYN-OL-2026-0495

This Agreement is entered into between **Cynaris Solutions Private Limited** (No. 475, Croissance Hub, 2nd & 3rd Floor, RBI Layout, JP Nagar 7th Phase, Bangalore – 560078, CIN: U74994KA2018PTC113210) — hereinafter referred to as "the Company" — and **AKSHATA PATIL**, Battarahalli, Bengaluru, Karnataka-560049 — hereinafter referred to as "the Intern".
Effective Date: 15 Aug 2026

1. Purpose of the Internship

The purpose of this internship is to provide the Intern with valuable, practical experience in the field of **AI / ML**. The internship is intended for educational and skill development purposes, providing the Intern with the opportunity to learn, apply academic knowledge, and gain real-world industry exposure.

2. Duration

The internship shall commence on **15 Aug 2026** and shall conclude on **15 Nov 2026** (3 months), unless terminated earlier in accordance with the terms of this Agreement. The Intern agrees to commit a minimum of 20 hours per week to the internship.

3. Roles, Responsibilities and Duties

The Intern agrees to perform the tasks and duties assigned by the Company diligently and to the best of their ability. The specific responsibilities shall include, but are not limited to:

- Assist in building, training, and evaluating machine learning models for classification, regression, or NLP tasks using Python (scikit-learn, TensorFlow, or PyTorch)
- Preprocess, clean, and explore datasets to identify patterns and prepare features for model training
- Document model performance metrics, experiments, and findings in structured reports
- Collaborate with the data engineering team to integrate ML pipelines into production-ready workflows
- Research and apply state-of-the-art algorithms and techniques to improve model accuracy and efficiency
- Assist in building proof-of-concept AI features and demos for internal products
- Participate in code reviews and contribute to team knowledge-sharing sessions

4. Compensation

This internship is part of Cynaris Solutions' Social Uplift & Skill Development Programme. This is an **unpaid internship**. No stipend or monetary compensation shall be provided. The value of this internship lies in the practical experience, project exposure, and the certification issued upon successful completion.

contact@cynarissolutions.com

Bangalore, Karnataka, India

5. Confidentiality

The Intern agrees to maintain strict confidentiality regarding all business information, client data, project details, source code, strategies, and internal communications disclosed to them during the internship. This obligation shall survive the termination of this Agreement.

6. Intellectual Property

All work products, code, designs, reports, analyses, and deliverables developed by the Intern during the internship, whether independently or collaboratively, shall be the exclusive property of Cynaris Solutions Private Limited.

7. Compliance with Policies

The Intern agrees to comply with all policies, rules, procedures, and codes of conduct of the Company, including data protection, communication standards, and professional behaviour guidelines.

8. Termination

Either party may terminate this Agreement with written notice. In the case of misconduct, misrepresentation, breach of confidentiality, or sustained poor performance, the Company reserves the right to terminate the Agreement immediately without prior notice.

9. No Guarantee of Employment

Successful completion of this internship does not guarantee employment with the Company at the end of the internship period. Cynaris Solutions, however, shall provide full support to the Intern in seeking suitable opportunities upon the completion of their academic programme.

10. Documents to be Submitted at Onboarding

The Intern must submit the following documents at the time of onboarding:

- Signed copy of this Offer Letter (all pages)
- Aadhaar Card copy — duly signed
- 12th / 2nd PUC Marks Sheet copy — duly signed
- Passport size photograph
- College Permission / NOC Letter

11. Data Privacy & Consent

The Intern acknowledges and consents to the collection, storage, and processing of their personal data (including name, contact information, photograph, and academic records) by Cynaris Solutions Private Limited solely for the purposes of internship administration, credential issuance, and legal compliance. Data will not be shared with third parties without explicit consent, except as required by law. The Intern may request access to or deletion of their data by writing to contact@cynarissolutions.com.

12. Governing Law & Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of India. Any dispute, claim, or controversy arising out of or relating to this Agreement, its breach, termination, or validity shall be subject to the exclusive jurisdiction of the courts located in Bangalore, Karnataka, India.

13. Force Majeure

Neither party shall be liable for any failure or delay in performance of obligations under this Agreement arising from circumstances beyond their reasonable control, including but not limited to acts of God, natural disasters, pandemics, government-imposed
